

Thursday 13 September

# Ethics and climate change

We can easily feel helpless and despondent about the whole subject of climate change. How should we view it? **Can we be part of the solution, rather than just the cause?**

Speaking at this Annandale Community seminar will be Andrew Barry, who says: 'To relate rightly with each other and the planet, we need to start with God'.

Thursday 13 September  
7.30-9.30pm.

Free entry.  
Serving Fair Trade coffee.  
Annandale Community Church  
Corner of Johnston & Booth St.

Getting to Annandale Community Church:
